Establishment - Temporary - (South Kanara District) Additional staff - Further retention - Report submitted.

*****

In the above G.O. sanction was accorded for the employment of one L.D.C. in each of the 3 Revenue Divisional ----- offices and one L.D.C. in each of the 6 Taluk offices of this District for a period of 3 months from the date of appointment. The period of 3 months in respect of items (3) and (4) in the G.O. will expire about the middle of this month. The Revenue Divisional Officers and Tahsildars report that the additional clerk in their offices has been attending to the work connected with War correspondence and the several control orders which involves the preparation of a number of periodicals, returns, convening of meetings of the Prices Advisory Committees and keeping up to date of the lists of fair prices and food schemes. As the numerous control and War papers are filed in the connected control file or War file without being assigned a current No. comparative figures of statistics of papers etc. received in each office cannot be correctly gathered for pre-war and war periods. Some of the officers have therefore not furnished statistics called for. All the work detailed above cannot be attended to by the existing staff without detriment to their other duties. The retention of the additional staff enumerated under items 3 and 4 in the G.O. for a further period is therefore very necessary. I beg to recommend therefore that the Board may be pleased to obtain Government sanction for the retention of the above additional staff for a further period of 6 months or till the end of the War, whichever is earlier.

As the work connected with the War and control of prices, which require prompt attention, is likely to be affected, if the staff is to be disbanded, I have, in the interests of administration, retained the additional staff in anticipation of Government sanction. My action may be approved.
